

Dear Community Member,

We hope that you have not been too impacted by the unprecedented events of the past few years. We know that times are difficult, and that is why we are reaching out to you today. The National Golf Club of Kansas City and The Deuce will open our doors and hearts to host the Charity Classic Golf Tournament. A local event that culminates with our parent company, Invited's nationwide Charity Classic, making it one of the most significant golf and dining charity events in the world.

Since 2007, we have collectively raised more than \$30 million to benefit important causes throughout the many communities Invited represents. In **2022, The National & The Deuce Charity Classic will take place on Friday, October 14th**. This year your donations will benefit two worthwhile charities. Patriot Outreach of Kansas City is part of a national organization. Its mission is to support & assist the Armed Forces, Veterans, Retirees, Government Employees, Battlefield Contractors, First Responders and their Families (Patriots). They deliver, without charge, effective and confidential tools and coping strategies to combat anger, stress, and even PTSD.

In addition to raising money for Patriot Outreach of Kansas City, our Charity Classic also benefits Invited's Employee Care Foundation (ECF). This organization assists employees of our company during times of need. ECF has granted more than 2,000 requests and more than \$2.5 million to ClubCorp employees in the aftermath of the Covid-19 pandemic, house fires, hurricanes, domestic abuse and more. We are happy to be able to raise funds for both charities through our efforts.

The National & The Deuce's Charity Classic is a great way to make a difference and promote your products and services throughout the community. All donations are tax-deductible, and 100% of the proceeds will benefit these great charities.

We hope we can count on your support to make a difference in the lives of many individuals. If you have questions, please contact Member Experience Director Paula White at (816) 505-4261 or by email at Paula.white@invitedclubs.com.

CHARITY CLASSIC

**THE NATIONAL GOLF CLUB OF KANSAS CITY
FRIDAY, OCTOBER 14, 2022**

PATRIOT OUTREACH KANSAS CITY - Souls touching Souls, Making a Difference! We have hosted thousands of outreach activities and helped numerous Patriots and their Families.

Patriot Outreach, a 501(c) 3 non-profit, our mission is to provide direct assistance to Armed Forces, Retirees, Veterans, Government Civilians, Battlefield Contractors, First Responders, and their Families (Patriots). We offer resources to help understand stressors, coping strategies, and the triggers which cause pain. Often forgotten are the Families, the Caregivers, who also need support to recover from debilitating stress associated with recovery.

Our resources bridge the gap between those who seek professional help and the silent majority. We have delivered our Patriots without charge effective and confidential tools and coping strategies to combat anger, stress, and even PTSD.

Patriot Outreach provides free Coping Strategies CDs and downloads, funds PTSD Dinners, Seminars, and Workshops; helps assist disabled Veterans with home renovation; counseling (outsourced), treatment, programs, and educational resources.

We were the first to sound the alarm on suicides among Veterans. It took us two years to get the Veterans Administration to admit there was a problem. And, we pioneered and teamed with successful programs from the Legendary Horse Whisper, Monty Roberts equine therapy to emerging technologies such as Virtual Reality (Bravemind – PTSD, STRIVE – resiliency, ExtremeVets – allowing disabled Veterans to relive life again, Operation Hero – Veteran Caregivers and Family Members). Some of our Top Programs include SmilingVets (Dental Help), SailingVets (therapy through nature), Legal Center, Ambassador Program, Kids Who Cook, Operation Honeymoon, Outreach events, and our Coping Strategies CDs.

Patriot Outreach Programs

BraveMind

Our Coping Strategies, including BraveMind an interactive, immersive virtual reality system, utilizing exposure therapy, the most effective evidence-based approached for PTSD.

Monty Roberts
"Horse Sense & Soldiers"

We are teamed with the Legendary Monty Roberts the "Horse Whisperer," in cooperation with his "Join-Up, International" are providing "Horse Sense and Soldiers - Join-Up with Veterans" Workshops, results are fantastic!

Patriot Outreach's Continuum Care Retirement Campus (CCRC)

CCRC will become an international model for self-sustaining, stress-free physical environment tackling the #1 medical shortfall destroying Families, care for Veterans in need of Assisted Living and Dementia Village.

ExtremeVets

Teamed up with OmniLife VR, a breakthrough initiative allowing Disabled Patriots who are unable to participate physically the ability to reclaim life, fulfilling a dream or passion through the magic of Virtual Reality (VR)

SmilingVets

This innovative, new program provides critical Dental Care to Our Patriots. From basic cleaning and x-rays to major dental work such as crowns, root canals, and gum diseases.

All procedures covered are completely free of charge, with no need to provide any dental records or insurance. Relieving Patriots from any pain, and giving them the joy of a Smile.

Project Ruth

A breakthrough program addressing underlying pain experienced by suffering Veterans. Too often, one injury is masked by another until long term stressors take over; their bodies, minds, and spirits become profoundly depleted. Unmasking the layers of anguish, CrainoSacral Therapy and Working Chronic Depletion (CSWCD), has proven effective in relieving pain.
