Sunday, September 29th
3:00p to 4:00p

A free kids cooking class
sponsored by
Patriot Outreach
for children of military
personnel, veterans and
first responders

Calling all junior chefs (ages 6 to 12) who want to learn basic cooking techniques *and* work alongside The National Golf Club's talented culinary team.

Today the kids will discover how to make:

FUN FALL FOODS!

Each child will use and **take home a kitchen tool or gadget** selected especially for today's class.

They'll also leave with recipes so that they may recreate these tasty dishes at home.

This is a free class, compliments of Patriot Outreach.
